

AIRC Foundation raises funds to support cancer research in Italy. Its mission is to understand, prevent and cure cancer through research and outreach activities.

Marie Skłodowska-Curie Actions provide excellent and innovative research training, promoting the transnational mobility of researchers also through COFUND programs.

INTERESTED IN A POST-DOCTORAL FELLOWSHIP IN CANCER RESEARCH?

**THE iCARE-2 PROGRAM MAY BE WHAT
YOU ARE LOOKING FOR!**

iCARE-2 is an international fellowship program co-funded by AIRC and the European Union, intended to **promote the mobility of experienced researchers to and from Italy.**

iCARE-2 offers these types of **3-year fellowships**:

- **Outgoing Fellowships**, for researchers who have worked in Italy for more than three years, interested in a research experience in a scientific institution located in a different country than Italy.
- **Incoming Fellowships**, for non-Italian scientists interested in a research experience in a scientific institution in Italy.
- **Reintegration Fellowships**, for Italian researchers who have worked in a country outside Italy for at least two out of the last three years, and who wish to return and work in a research center in Italy.

The 2019 iCARE-2 call is now **open!**
Deadline for submission **June 5, 2019.**
